Relation: Former Tenant & Neighbor

From: Dawn & Mackenzie

Tribute:

It saddens my heart to hear of the passing of "Chef Scott" ... he was a wonderful tenant, and neighbor! Every morning as Mackenzie and I scurried our way out the door, for school & work... Chef Scott was always sitting outside, waiting to say, "Good morning, Mackenzie!" He was so kind and always willing to help, however he could! I will never forget my first day, as his neighbor and apartment manager... I woke up the next morning to freshly baked chocolate "morning muffins" - in a covered bowl with a note attached that said, "Welcome! We are so glad you are here! I am here if you ever need me! Chef Scott" -that was so sweet! When I was so sick, at the end of September and the beginning of October...he made me a homemade soup! Another time, I had a pinched nerve in my shoulder... he did something to it, then sent me home with his heating pad. I was better within twenty-four hours...and had been in great pain for over a week, prior! I said all those things to say ... Chef Scott was a very kind Godly man -with a huge heart! All the children in the neighborhood absolutely loved him and called him "grandpa!" He will be greatly missed and he was so loved by so many ... I am not sure if he really knew just how much! I know for certain that Chef Scott really thought a lot of his son-in-law... who checked on him every single day, at least once per day! That was so sweet to have someone care so much, and to be so faithful! My thoughts and prayers certainly go out to the entire Jackson family! God bless....

Relation: Classmate LaGrange70

From: 40 years ago

Tribute: I did not know him well but I was his classmate at LaGrange. He will be missed since culinary arts are warmly received and cherished in the world. I was only at LaGrange for one year but have been relishing the opportunity to meet all of my 600+ classmates across the years. Next year we are to celebrate our 40th class reunion and Chef Scott will be missed by me (and many other classmates, I am sure). Please visit our class memoriam for Scott at the class website; it is our legacy.
